The 2016 Parent Opinion Survey has been sent to a number of randomly selected families recently.

If your family has received a survey we remind you that if you require instructions in another language please contact the office on 9749 0506 for a translated copy.

For those families who were randomly selected we ask you to take the time to complete the survey as your opinions are important to us and will contribute to the future management and organisation of our school. For example, feedback from parents helped to change the way we structure Parent-Teacher interviews.

Please ensure that your survey is completed and sent back to your child’s classroom teacher as soon as possible.
