Message from the Principal

On Friday we will be celebrating the end of a very busy term by having a Football Colours Day and are encouraging all students to wear their favourite footy, rugby or soccer colours on Friday. During the morning we will be having some fun activities, and hopefully having a fun end to the term. We are requesting a gold coin donation from each child wearing their colours.

Parents also remember that on Friday the school will be dismissed at 1.30pm.

Please note that the staff car park automatic gates are now in operation. The staff car park is not a Drop Off or Pick Up Zone. Over the past couple of terms we have had some very unpleasant incidents occurring in our car park where some parents became angry and upset at dismissal time.

We have also had a number of our students walking through the car park which is extremely dangerous. Please arrange for your child to meet you at an agreed location in either Crossways Avenue or Brinbrook Street.

I would also ask parents not to tamper with the new gates; they are closed for a specific reason, your child’s safety.

I hope everyone has an enjoyable term break.

Peter Devereux
Principal
Please wear your helmet to and from school

As a matter of child safety we remind all parents to ensure that all children wear a bicycle helmet when riding a bike to and from school.

Important Note
Staff Car Park

Families would have received a note from the College informing them of the changes recently made to the College Staff Carpark.

As per the signage, only College staff are authorised to park in the College Staff Car Park. This is for the safety of staff vehicles, students and school property.

Any persons, seen tampering with the sliding gate will be reported to Police, as we will not tolerate any deliberate damage to school property.

Your cooperation is much appreciated.

Message from the Canteen

FOOTY DAY

Important notice, if you did not pre order the Footy Day special lunch, please bring your own lunch from home, as NO other Lunch Orders can be accepted on Friday.

We hope you have a wonderful Holiday and please stop by the canteen to pick up the new Menu for Term 4 which will be ready on the first day back.

We will have a transition period of 2 weeks. After that, if you order from the old Menu, we will give the closest substitute possible from the new Menu.

Enjoy the break!

Grade 3 – Learning About H2o

In our Inquiry Investigation this term Grade 3’s have been learning about H2O.

This integrated unit has provided an opportunity for students to develop an awareness of water as an essential resource for all living things?

It has highlighted to students the need for cooperation in preserving the quality of our water as a precious resource? Please feel free to come and look at the amazing art work that the Grade 3’s have on display outside of our classrooms.
