Message from the Principal

You can certainly start to feel winter creeping in…. It’s good to see the students rugged up in in their winter uniforms.

Students in Grades 3 & 5 had NAPLAN testing last week from the 14-16 May. I’m pleased to say that it went smoothly and I appreciate the efforts of those involved. We will receive our results in October.

Our Curriculum day held this week, was a success. Time was spent as a teaching group to review our efforts to date and continue to develop teaching practices so that our students have the best learning outcomes.

Over the next two Tuesday nights, the college will have Open Evenings for prospective families wishing to enroll their child in our school next year. We are hoping to have an indication of our numbers for next year by mid-July.

We are very grateful to the parents that are helping the school establish our library by covering the books. We’ve had parents come into the school to contact the books, so that they can start being borrowed by students. If you are interested in helping, please contact Reception – the more people that assist, the quicker we can ensure that our children have access to a great range of books.

The SRC have arranged a Pyjama Day for students, tomorrow. Children are invited to come to school in their pyjamas, in return for a gold coin donation. The Canteen is will be helping us by selling pancakes for the kids to enjoy as a special treat.

Pyjama Day – 24 May

Students can come dressed in their pyjamas tomorrow. This is a fundraising activity set by SRC and gold coin donations will be appreciated.

Pancakes will be sold by the Canteen for 50 cents each.

Sibling Photos by MSP Photography

MSP Photography will be coming to the College on Thursday 20 June to take sibling photos. If you have multiple children at the College and would like them to be photographed together please see reception for your MSP order form. **The completed form needs to be returned to reception by Wednesday 18 June.**

Mother’s Day Stall

The Mother’s Day Stall held last week raised $500. It was lovely to watch the children select their special gifts and we hope all mums/grandmothers enjoyed their hand-picked treats. The money has been allocated towards purchasing two notice boards to be placed in the playground. These will be used to display news, events etc... to keep parents informed.

Earn and Learn

We really need more stickers so please ask for them every time you shop at Woolworths! Please continue to collect the stickers and place the completed sheets/loose stickers in the box located at Reception. We are grateful to those families that are currently collecting them...keep up the great work.

Stickybeaks Reusable Lunch Order Canteen Bags

These clever bags have been designed to replace brown paper bags for lunch orders. They are more hygienic to use because of the zippered pocket that separates money from contact with food. Order forms with more information on these compact funky reusable lunch bags will be sent home shortly. If you wish to purchase a Stickybeaks Reusable Lunch Order Bag please return completed form to the office.

School Banking

School Banking is every Thursday.

Please make sure students give the yellow deposit books to their classroom teacher.

Please visit Commonwealth Bank at the Wyndham Village Branch to open up your child’s Student Banking Account.
