## Message from the Principal

With the cold weather setting in I would like to remind parents to ensure that their children are appropriately dressed for the wet and cold weather we have been experiencing lately. Please ensure you child is in their winter uniform with a jumper and coat to ensure they stay warm when outside.

As you may be aware, last week one of the students at Tarneit Senior College was approached by a stranger at a bus stop after school. It is timely to remind all our families to discuss personal safety with your children. Students will also be reminded about ‘Stranger Danger’ in classrooms.

Next week you will be receiving your child’s mid-year report. This is the first set of student reports we will be producing and it is the first time we are using a new electronic report writing program. Hopefully parents will find the reports easy to read and understand. Attached to the report will be a sheet for parents to give us their view of the reports or ask questions which will be addressed at the Parent/Teacher interviews early in Term 3.

Next term Ms Paris Spencer will be joining our school staff as the Assistant Principal for the Years 7-9 area of the College, which will start operating next year. Ms Spencer will bring a wealth of knowledge to the position and will establish a high quality secondary component. We welcome her to our school community.

**Next week will be the last week of Term Two and on Friday 28 June the College will have an early dismissal at 1.30pm.**

Student Reports

Student Reports will be distributed next Monday 24 June.

The purpose of Student Reports is for classroom and specialists teachers to provide feedback to parents on their child’s progress. Teachers have put a great deal of thought and work into producing these documents.

Student Reports will be sent home with each child in a sealed envelope addressed to parents.

Teachers will be conducting Parent-Teacher Interviews early next term to discuss these Student Reports in more detail.

ATTENTION

Please always ensure that you drop and collect your children in an area where they can get to the curb safely. We have noticed that some parents have been dropping students off in the middle of the road – this is very dangerous and can lead to a serious accident. The College greatly appreciates your support with this request.

Music Room News!!

In music this term students have been creating music on the iPads using the iPad App “Garage Band”. Classes from year 3-6 have been composing songs addressing the concept of bullying and years prep-2 have been exploring the sue of the App and creating soundscapes for picture story books, in particular, books by the author Graeme Base. All students have published their songs/compositions to the school sound cloud account. To listen to your child’s music please visit soundcloud.com, sign up as a user and follow our school account.
