HAPPY WORLD BOOK DAY!

On the 5th March, Tareit College celebrated World Book Day. It was a day of fun, laughter and creativity centred around the delightful world of children's literature. Students and teachers alike, dressed up as a children's book character and participated in a day of activities that were based on a chosen book.

P-2 had the opportunity to show their costumes off in our first ever Book Parade, while Years 3-6 were able to showcase the brilliant work they had completed at their year level assemblies.

The money raised from gold coin donations will be used to purchase additional classroom library books. We would like to thank the staff and parents of Tareit College for supporting this wonderful event. It was lovely to see the community join us in celebrating World Book Day.
